## Consumer Data Right

**Offering a strategic, evidence-based and academically rigorous approach to issues stemming from the Consumer Data Right—a regulatory intervention through which customers can access anonymised data to compare and switch providers—to ensure compliance and the appropriateness of market responses.**

### Competitive advantage

- Vast experience in both regulatory compliance and marketing response.

### Impact

- Worked with the ACCC and Treasury in the development of Consumer Data Right thinking.

### Successful applications

- Professor Pamela Hanrahan is one of Australia's leading authorities on financial services law and regulation and provided significant support to the Hayne Royal Commission
- Professor Peter Leonard is recognised globally for his work on data governance
- Kayleen Manwaring is a leading thinker on the consumer aspects of data beyond privacy

### Capabilities and facilities

- The research network has members across a variety of regulatory disciplines including networked industries and emerging technologies
- Team members have been deeply involved in non-regulatory strategies in response to regulatory intervention

### Our partners

- Energy Consumers Australia
